PROFESSIONAL EXPERIENCE

Creative Virtual Assistant **Oct 2026 – Present**

Konektika · Remote · Coaching, wellness, and advocacy clients

- Edited **35+ videos**, from 20-second reels to long-form interviews, in CapCut with AI-assisted workflows.
- Cut a **73-minute interview to 25 minutes** and turned 2 client testimonials into full edits plus **19 captioned social clips**.
- Delivered 6 word-by-word captioned reels and **15 thumbnail covers** for a daily Instagram challenge series.
- Produced a 3-part workout series, a 60-second brand reel, and 2 coaching reels with motion graphics and sound effects.
- Designed a multi-concept banner and supported Kajabi pages, forms, email sequences, and automations.
- Applied client feedback across multiple revision rounds, keeping version logs and handoff notes for each project.

Administrative Aide IV (Clerk II) **Mar 2025 – Present**

Treasury Office · City of Batac, Ilocos Norte

- Process **50+ documents daily** with 99% data accuracy and 100% on-time submission.
- Encode salary figures for **200+ employees twice monthly** with zero payroll discrepancies.
- Summarize city cash and check deposits and maintain attendance records for accurate, timely reporting.
- Built **three AI-assisted internal tools** that streamline timekeeping, contribution tracking, and file organization (see Projects).

Order Taker Online (Non-Voice) **2024 – 2025**

Creative Solutions Agency · Remote

- Processed **30 customer orders daily**, keeping order details accurate throughout the online ordering process.
- Resolved customer email inquiries and recommended substitutes for out-of-stock products to help complete purchases.

On-the-Job Trainee · *Venvi Agro-Industrial Ventures Corp., Hog Sales Division* **2023**

AI-ASSISTED PROJECTS

Live demos: messsyyy.github.io/portfolio

- **DTR Maker** *(Claude · HTML · Python)* — Auto-generates daily time records, cutting ~30 minutes of work to just minutes.
- **Contribution Tracker** *(Claude · HTML · Python)* — Consolidates contribution records to simplify month-end reconciliation.
- **File Renaming Tool** *(Claude · Python)* — Batch-renames files to set patterns, keeping records consistent and easy to find.
- **Local PDF Editor** *(Claude · Python · Flask)* — Offline app to edit text, sign, fill forms, and merge or reorder pages.
- **Reel Editing Toolkit** *(Claude · Python · FFmpeg)* — Transcribes, word-times, captions, and renders vertical videos.
